	APPENDIX I Equality Impact Assessment Form.....	6

1. Aims

1.1 Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

1.1.1 Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010

1.1.2 Advance equality of opportunity between people who share a protected characteristic and people who do not share it

1.1.3 Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

1.1.4 Publish equality objectives that the school has identified as priorities

2. Legislation and guidance:

2.1 This document meets the requirements under the following legislation:

2.1.1 The Equality Act 2010, which introduced the Public Sector Equality Duty and protects people from discrimination

2.1.2 The Equality Act 2010 (Specific Duties) Regulations 2011, which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

2.1.3 This document is also based on Department for Education (DfE) guidance: The Equality Act 2010 and schools.

3. Roles and Responsibilities

3.1 The Academy Committee will:

➤ Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents/carers

3.1.1 Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years

3.1.2 Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the Principal

3.2 The Principal will:

3.2.1 Promote knowledge and understanding of the equality objectives among staff and pupils

3.2.2 Monitor success in achieving the objectives and report back to governors

3.3 The designated member of staff for equality will:

3.3.1 Support the principal in promoting knowledge and understanding of the equality objectives among staff and pupils

3.3.2 Support the principal in identifying any staff training needs, and deliver training as necessary

3.4 All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating Discrimination

4.1 The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

4.2 Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

4.3 Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

4.4 All staff receive training on school's Equality Act duties on a regular basis.

4.5 The school has a designated member of staff for monitoring equality issues. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

5. Advancing equality of opportunity

5.1 As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

5.1.1 Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)

5.1.2 Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)

5.1.3 Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

5.2 In fulfilling this aspect of the duty, the school will:

5.2.1 Publish attainment/progress data each academic year showing how pupils with different characteristics are performing

5.2.2 Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information

5.2.3 Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)

5.2.4 Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

6.1 The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

6.1.1 Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in Culture, RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures

➤ Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies, and we will also invite external speakers to contribute

6.1.2 Working with our local community. This includes for example, inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community

6.1.3 Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures

6.1.4 We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

7.1 The school ensures it has due regard to equality considerations whenever significant decisions are made.

7.2 The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

7.2.1 Cuts across any religious holidays

7.2.2 Is accessible to pupils with disabilities

7.2.3 Has equivalent facilities for boys and girls

7.3 The school will complete the Equality Impact Assessment Form (Appendix 1) to demonstrate that we have actively considered our equality duties and asked ourselves relevant questions. The school uses specialist software (Evolve) when planning trips and activities. The completion of the Equality Impact Assessment Form will be noted during this process and reflected in the risk assessment. If the potential for a negative impact is identified, it will be escalated to a senior leader for discussion.

8. Equality objectives

At The Wren we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers, irrespective of race, gender, disability, belief, religion or socioeconomic background.

In order to further support pupils, raise standards and ensure inclusive teaching, we have set the following objectives:

Objective 1: To monitor and analyse pupil achievement by protected characteristic and act on any trends or patterns in the data that require additional support for pupils

Why we have chosen this objective: *To ensure all students are making good or better progress and to quickly identify any areas of concern in our practice and processes.*

To achieve this objective, we plan to: *Embed a clear and rigorous assessment calendar and process, which involves regular data analysis meetings with Senior and Middle leaders.*

Progress we are making towards this objective: *An assessment and data analysis calendar is in place and working well. Outcomes data across recent years shows a general decreasing trend between different groups.*

Objective 2: To raise levels of attainment in core subjects for vulnerable learners

Why we have chosen this objective: *We believe that strong attainment in core subjects provides all students with improved gateway chances at their next chosen level of study.*

To achieve this objective, we plan to: *Increase curriculum time and support across all core subjects and have a clear program of intervention throughout the academic year.*

Progress we are making towards this objective: *Curriculum changes are in place along with a program of further improvements. Core subject outcomes are improving year on year.*

Objective 3: To review levels of parental and pupil engagement in learning and school life, across all activities to ensure equity and fairness in access and engagement.

Why we have chosen this objective: *We believe that a three way partnership between school, families and students supports students in making progress and thriving, and supports us in understanding individual family context and meeting our aim to know each child well.*

To achieve this objective, we plan to: *Review our assessment and reporting processes ready for implementation in 2024.25. To continue with family and student voice activities through our feedback loops and Year Ahead meetings.*

Progress we are making towards this objective: *All planned interventions are in place, and these will be reviewed throughout the academic year.*

9. Monitoring arrangements

This policy will be updated annually with details of how the school will comply with the public sector equality duty.
